

The Ordinance Committee is recommending the following

Prohibited equipment usage.

- Any device, including water sacks, ballast or submersible wing, which is being used to cause a boat to operate in a bow-high manner, or to increase or enhance a boat's wake.

Prohibited operation to enhance wake.

- No person may operate a boat in an artificially bow-high manner, in order to increase or enhance the boat's wake. Such prohibited operation shall include wake enhancement by use of ballast, mechanical hydrofoils, uneven loading or operation at a transition speed. Transition speed means the speed at which the boat is operating at greater than slow-no-wake speed, but fast enough so that the boat is planing
